To Whom It May Concern,

TaylorMade is committed to global regulatory and sustainable business practices and we apply these practices from the selection of the materials to the finished products.

We expect our business partners to ensure that materials are in full compliance with actual local laws and regulations regarding environmental and product safety including California's Proposition 65.

It is the position of TaylorMade Golf that all products supplied conform to applicable federal, state, and local laws, rules, and regulations, including California Proposition 65.

We hope this provides satisfaction to your needs and are at your service for any further question you may have.

If you should have further questions please do not hesitate to contact us.

Best regards,
